### CHAPTER 105

An act to amend, repeal, and add Section 12640.09 of the Insurance Code, relating to insurance.

[Approved by Governor July 13, 2012. Filed with  
Secretary of State July 13, 2012.]

#### LEGISLATIVE COUNSEL'S DIGEST

SB 1450, Calderon. Mortgage guaranty insurance.

Existing law requires a mortgage guaranty insurer to limit its coverage, for the class of insurance that insures against financial loss by reason of nonpayment of principal, interest, and other sums under any evidence of indebtedness secured by a mortgage, deed of trust, or other instrument constituting a first lien or charge on a residential building or a condominium unit or buildings designed for occupancy by not more than 4 families, to no more than a net of 30% at risk of the entire indebtedness to the insured, or a mortgage guaranty insurer may elect to pay the entire indebtedness to the insured and acquire title to the authorized real estate security. Existing law authorizes a mortgage guaranty insurer to extend its coverage for this class of insurance beyond the established limits provided the excess is insured by a contract of reinsurance.

This bill would, until January 1, 2018, delete those requirements with regard to that class of insurance.

*The people of the State of California do enact as follows:*

SECTION 1. Section 12640.09 of the Insurance Code is amended to read:
